

Mentor-protégé partnership

Protégé: San Diego Project Management, PSC (SDPM)

Service-Disabled Veteran Own Small Business SBA HubZONE

Through the Chimborazo JV, we offer the full capabilities of San Diego Project Management P.S.C. and WSP Environment & Infrastructure as a SDVOSB/Hub Zone firm. This SBA-approved mentor-protége relationship allows small businesses to compete more successfully for federal contracts, expand their capabilities and service lines, reach new clients and broaden their geographic reach.

OUR SERVICES

An experienced engineering firm with a long-term history of leading and organizing teams of qualified and experienced professionals to provide engineering, environmental, architectural and mission-related technical services. Our teams provide a unique capability to our client's mission with integrity and the ability to furnish independent project management and comprehensive project development, project planning, civil works design, and military design services. Established in the year 2000, SDPM operates a full-service engineering, environmental consulting, and construction management firm, headquartered in Puerto Rico.

SDPM in-house experts offer local capacity to assist in:

- Architect and Engineering
- Program Management
- QA / QC
- Disaster Recovery
- Federal Procurement

Mentor: WSP

WSP is a global leader in consulting and engineering across energy and the built environment, helping to unlock solutions to some of the world's most critical challenges. We provide consulting, projects and operations solutions in more than 500 countries, employing around 63,000 people.

ABOUT WSP

As one of the world's leading professional services firms, WSP exists to future-proof our cities and environment. We provide strategic advisory, engineering, and design services to clients in the transportation, infrastructure, environment, building, power, energy, water, mining and resources sectors. Our 63,000 trusted professionals are united by the common purpose of creating positive, long-lasting impacts on the communities we serve through a culture of innovation, integrity and inclusion. Sustainability and science permeate our work. To find out more, visit wsp.com.
